### TRANSPORT CONEMAUGH.

The horse transport Conemaugh arrived in port from San Francisco late yesterday. She left that port on the 18th inst. and should have been here three or four days ago. Her delay was caused by an accident to the machinery while necessitated a full stop of 36 hours and half-speed for the remainder of the trip. The accident occurred when the Conemaugh was only three days out from 'Frisco.

Lieut. Smith of the 39th Infantry is the quartermaster in charge of the transport and Dr. Chamberlain is the army surgeon aboard. Dr. Vansagnaw is the veterinary. The officers of the transport are as follows: E. V. Roberts, captain; F. Hellberg, 1st officer; T. H. Lyon, 2d officer; E. P. Bartlett, 3d officer; D. de Silva, chief engineer; Geo. Young, chief steward.

### About Manuense.

San Francisco, Oct. 18.—The British steamer Manuense is to be put under the Mexican flag and Captain John Von Helms will be her master. The Manuense is to run in opposition to the Curacao and the vessels of the Pacific Coast Steamship Company's fleet. She is a fast and commodious steamer, fitted with a refrigerating plant and everything necessary for a run in the tropics. Captain Von Helms is a great favorite in Mexican ports so the Manuense should do well on the coast.

### The Manuense has passed through here as a transport.

The Republican party stands for municipal government. Vote the straight ticket.

### Vessels For Islands.

S. F., Oct. 18.—The ships Florence and Standard will load coal at Tacoma for Honolulu; the Antelope, coal at Oyster Harbor; and the B. P. The true Republican will vote the straight ticket, from Parker down.
